1. Change Mode Button:

Allows the user to switch between Light, Dark, and Grey modes to customize the site's appearance.

- **Light** – Uses a bright white background with dark text.
- **Dark** – Uses a darker background with lighter text, which can be easier on the eyes in low-light environments.
- **Grey** – Applies a more neutral, grey-toned color scheme.

2. User Profile Registration

The registration process is divided into three steps:

- 1. Personal Information**
- 2. Contact Information**
- 3. Login Information**

Three screenshots of the 'User Profile Registration' form, showing the progression from Personal Information to Contact Information to Login Information. Each screenshot has a title bar 'User Profile Registration' and a subtitle 'Fields marked by * are mandatory'. The first screenshot shows the 'Personal Information' step with fields for First Name, Surname, Email, Date of Birth, Gender, Designation, and a checkbox for 'I do not have NRC'. The second screenshot shows the 'Contact Information' step with fields for Contact Address, Code, and Cellphone. The third screenshot shows the 'Login Information' step with fields for Username and Password. Each step has 'Cancel', 'Back', and 'Next' buttons.
